MEMORANDUM

DATE: December 21, 2023
TO: Jesse John Quenga, Executive Director
FROM: Christopher A. Cruz, Commission Chairman
SUBJECT: Trip Report for the 45th Annual COGEL Conference held from December 3 – 6, 2023

Håfa Adai,

This memo is to report on the 45th Annual COGEL Conference that I attended on December 3 – 6, 2023 in Kansas City, Missouri.

The Council on Governmental Ethics Laws (COGEL) is a professional organization for government agencies and other organizations working in ethics, elections, freedom of information, lobbying, and campaign finance. COGEL's mission is to enhance professional development of its members through education and exchange of ideas and the annual conference offered an extensive selection of educational sessions focused on the aforementioned topics.

I attended plenary sessions and break out workshops to include: Embracing Innovation: Top 10 Training Upgrades for Ethics Commissions by Ethics Commissions; Unlocking Synergy: Transforming Public Service with Academic Collaboration; How to Build Confidence in Public Institutions and Programs; Gifts Galore: Tips for Navigating Ethics Issues with Big Ticket Events; Unlocking the Power of Data and Generative AI: Transforming Analysis to maximize communications and problem solving; Deconstructing Ethics: Where we have been, where we are going; and ethics updates.

I am thankful for the opportunity to participate in the 45th Annual COGEL Conference. Boarding passes have already been submitted to the Commission staff, and digital copies of the conference program can be found through the following link: <https://www.cogel.org/mpage/2023ProgramGuide#ethics23>. If I can provide anything further, please do not hesitate to contact me.
